

Home Visit Screening Questions

Today or in the last 14 days:	
	Have you had a high temperature?
	Have you had any of the following symptoms: a new, continuous cough or a loss of, or change to, your sense of smell or taste?
	Have you tested positive for COVID-19?
	Have you been contacted by the NHS test and trace services and asked to self-isolate?
	Are you self-isolating after returning or entering the UK?
Household members and contacts: Today or in the last 14 days:	
	Has anyone in your household or your close contacts had (or does anyone currently have): a high temperature, a new continuous cough or a loss of, or change to, their sense of taste or smell?
	Has anyone in your household or your close contacts tested positive for COVID-19?

If the answer to any of these questions is yes, the visit cannot go ahead until self-isolation requirements have been completed.
